

## SUCCEED ONLINE!

Thobson has helped thousands of businesses reach their full potential - DON'T just dream of Online Success - Achieve it !

## SEO Super Traffic:

This plan provides basic submissions to over 100 search engines each month for a full year. With this plan, it typically takes 6-8 weeks for site to start appearing in the search engines, while all you need to do is order the service once and we will handle the submission process for a whole year.

### KEYWORD Research:

The most important task of search engine optimization, and by far the trickiest and the hardest to accomplish one, is finding the right keywords (search phrases). With this plan, our marketing professionals will review your website and will come up with a list of keywords that are the most effective for your website. Each of the keywords is chosen very carefully using the procedure that include TARGETING, POPULARITY, COMPETITION

### FREE CONSULTATION:

Our marketing professionals will provide you with free consulting and will answer any question you may have regarding your search engine optimization. Our marketing team has years of experience optimization thousands of websites. To set up a call, simply use our phone numbers (Monday-Thursday, standard working hours United States and United Kingdom time zones and Monday to Saturday Pakistan, India and Middle East Customers) or open a support ticket and we will call you back.

### RANKING PERFORMANCE:

We will provide you with a detailed report of how your website performs in the top search engines. We will crawl 100 results within each of the search engines, for each of your keywords, saving you hours of work

### GUARANTEED LISTING IN GOOGLE:

Thobson SEO owns a unique technology that will list your site in Google within 10 weeks, guaranteed, or you'll get your money back. Thobson SEO is the ONLY search engine listing service that guarantees listing in Google! \* To have your site listed in Google, it must follow our Editorial and Technical guidelines.

### SUBMIT TO OVER 100 SEARCH ENGINES:

We will submit your web site to the leading 100 search engines and directories, reaching over 85% of Internet users. Don't get misled by submission companies that offer 100,000+ submissions as they are simply sending your web site to small niche directories. These pages may no longer exist and in many cases were set up to collect e-mail addresses to use or sell. In the web site promotion game, quality and reach wins over quantity. We are constantly updating our list of search engines to make sure that you site is submitted to the best search engines, those that will drive the most qualified traffic to your web site.

### 12 MONTHLY RE-SUBMISSION:

Your site will be submitted each month for a full year. Submitting your website manually to one search engine is not enough. Submitting manually to hundreds, each month, is impossible. We submit your site every month, to make sure search engines will not drop your listings.

### MONTHLY REPORTING VIA EMAIL:

Monthly summary submission reports are analysed by our experts. Once a month, immediately after your scheduled monthly submission, we will send you detailed report that lists out all the search engines and directories that your site was submitted to, so you can keep track of the submission process.

### FREE META-TAGS & SITE OPTIMIZATION

Get access to our professional Meta Tags generator. The importance of Meta tags for your web site can't be emphasized enough, as they are the first to be checked by the search engines. The Meta Tags generator will help you to create proper Meta Tags for your website.
